

UFORCE 600

No-frills Utility

Introducing the UFORCE 600 base model. A no-frills UTV that offers unbeatable value in CFMOTO's all-new UFORCE 600 utility platform.

Built for work, the UFORCE 600 is powered by a 580cc engine that features multiple drive modes, electronic hill descent control, an LCD display screen, ROPS-approved cage, roof kit, steel wheels, nearly 100 litres of storage, 960kg of towing/carrying capacity, a newly designed bench seat and is available in blue livery only.

Now available in three different models, a base model, EPS model and for the more adventurous, a HUNT edition.
